

2019 Korean Cultural Association Membership

The Korean Cultural Association (501c3) supports events and activities which promote Korean cultural heritage. KCA supports community events which provide opportunities for Korean adoptees, their families, other Korean Americans and the greater community to build friendships and develop an appreciation of Korean cultural heritage.

Membership is tax deductible. You can designate KCA for Give to the MAX online, United Way or corporate matching programs. KCA memberships run the calendar year (January through December). Join now and your membership will cover Fall 2018 through December 2019.

I'd like to join Friends of the Korean Cultural Association and want to be on the email list for events, workshops and classes.

___ Individual membership \$5 ___ Family membership \$10 ___ Sponsor \$25+

___ Lifetime membership \$250 *Lifetime members will receive a special KCA thank you gift crafted by the Hanji Crew.*
